

Unit 2A.1: Creation and Fall

What do Christians learn from the Creation Story?

Prior knowledge: Christians believe God made the world and humans are expected to care for it. Humans do best when they listen to God. The bible shows Christians how to stay close to God.

Learning outcomes:

- Place the concepts of God and Creation on a timeline of the Bible's 'Big Story'.
 - Make clear links between Genesis 1 and what Christians believe about God and Creation.
 - Offer suggestions about what the story of Adam and Eve might show about human nature and how to act.
- Describe what Christians do because they believe God is the Creator.
 - Describe how and why Christians might pray to God, say sorry, forgive and ask for forgiveness.
- Raise questions and suggest answers about what might be important in the creation story for Christians living today and for people who are not Christians.
 - Make links between what stories in the Bible say about human beings, and pupils' own ideas about how to behave.
